Hi Jason,  
I just spoke to Rick and their flight doesn't get back from Dillingham until 7 on Saturday so they will be unable to make the meeting in Palmer.

Thank you for your patience as this trip has been coming together at late notice.

Sincerely,  
Tami

Hi Jason,  
I just heard from Rick that Lek will not arrive until Friday afternoon and they will head out to Dillingham. Rick Parkin will be here, so if there is anything the Board would like to discuss with him we could come over.

Thanks!  
Tami

Tami,

I understand you have an EPA official who would like to meet with BBNC Board Members on Friday August 10th. Please have them contact me on my cell phone at Ex. 6 PII as we will be in a board meeting all day.

Assuming the Chairman can make time on the agenda, we can try to break from our meeting and spend a little time hearing from the BBNC Board and Management about our perspective on the EPA Watershed Assessment, Protection of Bristol Bay Salmon and our concerns about the proposed Pebble Mine.
